

## Driving Restrictions Permission Slip

Your child has signed up for Cross Age PE, an off campus class. Since he/she does not drive and a ride will need to be arranged. Your options are as follows:

- You provide transportation to and from the class
- I can assign them to a school that they can walk to ie: Garfield, Woods Elem. (limited number of spots available)
- Arrange for a classmate to transport them that is legally able to transport

If you should wish to have a classmate drive you must be aware of the law regarding teen drivers.

Effective January 1, 2006, persons under age 18 must be accompanied by a parent/guardian (25yrs old) or other person specified by law when:

- Transporting passengers under 20 years of age, at any time for the first twelve months they hold a drivers license.
